

**WANSEN**  
NEW MATERIAL

FACTORY CODE: WSCZ-2025

# Premium PPF Manufacturer

## Advanced Protection Solutions

Our flagship series is engineered **utilizing** premium aliphatic TPU **sourced from Argotec™ (USA)**. We incorporate standardized pressure-sensitive adhesives **from Ashland™ (USA)** to ensure invisible, armor-level protection for global partners.

### AG SERIES

Featuring Argotec™ Base  
10-Year Limited Warranty

### SU SERIES

Utilizing Covestro® TPU  
High Gloss & Anti-Fouling

### GLS SERIES

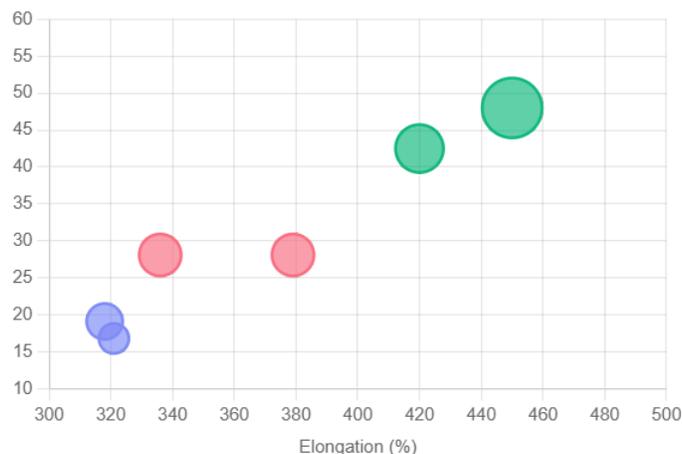

Extreme Toughness  
Impact & Puncture Resistant

## Performance Data Analysis

Reference data based on standardized laboratory testing[cite: 16, 17].

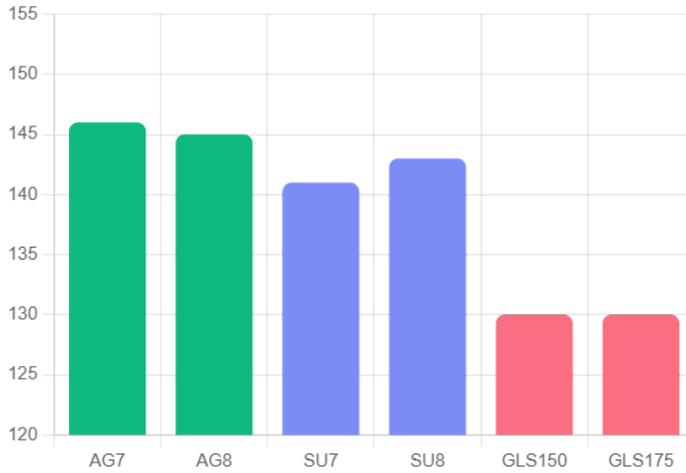

LAB REFERENCE DATA
